Remarks:

- Economic performance and its reporting boundary can be found in the Company's Annual Report.
- Environment performance excluding food loss and waste and occupational health and safety performance in Thailand operation covers all production plants and distribution centers, as well as some of the retail and food outlet businesses including Five Star, and Chester's but excludes head and branch offices, CP Food World, swine and raw milk transferring stations; research and development facilities in dairy farms, milk goat farm, cheese processing plant, and cattle feed.
- Food loss data covered nine product groups, including fresh pork, processed pork, fresh chicken, fresh duck, chicken eggs, fresh shrimp, processed shrimp, ready-to-eat food products, processed egg products & bakery. Operation sites excluded are; shrimp processing plant in Ranot (Songkhla province) and Surat Thani province; five chicken slaughterhouse in Maha Sarakham, Roi Et, Si Sa Ket, Songkhla and Lampang province; one food processing plant in Wang Noi (Ayutthaya province). The food waste data for transportation and distribution is derived from five distribution centers (Bang Nam Prio Distribution Center, Chachoengsao, Mahachai Distribution Center, Samut Songkhram, and Surat Thani, Lamphun, Khon Kaen Distribution Centers). The food waste data for food preparation and consumption in restaurants is estimated from waste composition analysis. The weight of this food waste does not include liquids such as beverages and soups. The sample area includes the operations of 8 sites of Chester's business and 5 sites of Food World business. The reporting scope covers only CPF's operational areas, excluding franchises and tenants. Chester's business data does not include other restaurant brands such as Taliew and Crown Bubble.
